

## **Grassley Amendment #C 8**

### **Purpose:**

An amendment to require presentation of identification in applying for Medicaid benefits

### **Description of Amendment:**

The amendment amends Title 19 of the Social Security Act to require an applicant (or the parent or guardian in the case of a child under the age of 18) to present at the time of application for Medicaid or CHIP benefits government-issued photo identification and that identification must be authenticated with the issuing agency.
